PERSONAL PROJECTS

Typing Speedo (01/2021 - 04/2021) [🔗](#)

- The actual idea to develop this project come from the communication accuracy or time saving.
- Just to save time of people throughout this spectacular thought...
- i decided to make a project To complete your work faster it is important to develop typing skills.

(DATA) ENCRYPTION DECRYPTION APP (09/2020 - 01/2021) [🔗](#)

- The app encrypts plain text and decrypts encrypted text. • AES 256-bit is used for encryption.
- Key derived with PBKDF2 (25,600 iterations) using, a 64-bit random Salt along with the specified plain Key, is used for encryption/decryption of the text.

WEBSITE USING NODE.JS (01/2022 - Present) [🔗](#)

- I Made a Website using Node.js....and deployed it on git hub pages.
- Probably if you are reading this, you downloaded the resume from my site, There u can explore it by urself.
- This website have some beautiful animation and features.
